Amenity center depiction is an artist's conceptual rendering intended to give Buyer a general overview of the type of amenity center generally contemplated for the community as of the date such rendering was prepared. Such depiction may not be drawn to scale, may depict features and components that will not be included in the amenity center once actually constructed, and does not constitute a guaranty that the amenity center will be constructed as shown or that it will include any of the features and/or components shown. The party developing the community may make changes in the design, plan, and timing of the amenity center and/or any of its components, and Meritage reserves the right to make any and all such changes. Meritage has not made, does not make, and specifically negates and disclaims any representations, warranties, and guarantees with respect to the amenity center depiction and the final design and construction of the amenity center and inclusion of any features or components with respect thereto.
